From left are REMITALL SUPER EVENT, Lot 1; REMITALL SECRET SUSIE by Remitall Hercules, Lot 24; REMITALL MEL-  
ODY CONSTANCE, Lot 27; and REMITALL MYSIE JANE 2nd, Lot 25, both by Remitall Wib's National, a maternal brother  
to Super. Remitall Hercules is a paternal brother to Super.

## GENERAL SALE INFORMATION

**TIME AND PLACE:** Monday, May 20, 1968, at Remital Cattle Company, Olds, Alberta, Canada. Remital is located one mile west of Olds and three miles south. Olds is 50 miles north of Calgary on Highway 2 and three miles west on Highway 27. The sale will begin promptly at 1 p.m.

**TRANSPORTATION:** Calgary is easily reached by any means of transportation. For complete details, see page 6.

**HOTEL ACCOMMODATIONS:** Sale headquarters will be the Fiesta Motel, Olds, Alta, Phone (403) 226-3376. Reservations may be made direct or to the sale manager. In Olds we also recommend the Victoria Hotel and the Olds Hotel. Each of these facilities is small and they will not likely accommodate the entire sale crowd. Therefore, we strongly urge that reservations be made as early as possible. After the Olds accommodations have been filled, other reservations will be made at the Crossroads and the Ambassador Motels near the airport at the north edge of Calgary. Both the Ambassador and the Crossroads have courtesy cars available to provide free transportation from the airport. After you have checked in, please call the farm and a car will be sent for you.

**AUCTIONEER:** Jock Blacklock, Jr., Saskatoon, Sask., Canada.

**GUARANTEE:** All cattle will be sold under the standard guarantee endorsed by the American Shorthorn Association. Remital further guarantees to stand behind every animal sold in this sale or in the future to the complete satisfaction of the new owner.

**HEALTH:** Cattle will be sold in compliance with the health laws of the Province of Alberta. Official calfhood vaccination of females is practiced. The herd is in a tuberculosis and brucellosis free area. All females in calf for 60 days or more will be pregnancy examined. The most stringent herd health standards are maintained, and the animals in the sale are eligible to travel anywhere in the world.

**TERMS:** The terms of this sale are cash. Checks should be handed to the clerks immediately following the auction. Please be sure to have the clerks record your transfer instructions and shipping information at the time of purchase.

**EXCHANGE:** The bidding will be conducted in Canadian funds. The prevailing exchange rate will be allowed, which is generally about seven percent. In other words, the U.S. dollar in Canada is worth about \$1.07 due to exchange differential.

**LIABILITY:** The Remital Cattle Company, its owners and employees accepts no liability for accidents that may occur. Mishaps at cattle sale are very rare, but all attending must do so at their own risk. The sale manager and his staff, the auctioneer, ringmen and clerks were employed by the owners for specific promotional and clerical tasks and have no connection with the handling of the cattle, the condition of the premises, fulfillment of guarantees or status of health

papers. The sale of each animal constitutes a contract between the buyer and the seller of each lot, but the sale manager cannot be responsible for the fulfillment of that contract. Where footnotes appear in the catalogue, they were written by the owners or employees of the Remital Cattle Company, or from information provided by them.

**LUNCH:** Lunch will be provided on sale day by The Alberta Shorthorn Lassies.

**BUFFET DINNER:** You are cordially invited to be the guest of Louis and Jean Latimer and Carroll and Jeannie Latimer at a buffet dinner at 5:30 p.m. on May 19 on the home farm.

**FURTHER INFORMATION:** The staff of Remital or the sale manager will be happy to give you their critical appraisal of any of the cattle selling. A supplemental sheet will be provided on sale day listing breeding dates and any other vital information. All announcements from the auction block supersede any other information, either written or oral.

**MAIL BIDS:** We hope it will be possible for you to be at Remital on May 20. If not, mail or telephone bids may be directed to any of the following:

**C. D. SWAFFAR**, executive secretary, American Shorthorn Association, 8288 Hascall St., Omaha, Neb. Tel: (402) 393-7200.

**HARRIS SIMONS**, The Shorthorn World, 16 S. Locust St., Aurora, Ill. Tel: (312) 896-8511.

**E. H. STOLTZ**, executive secretary, Canadian Shorthorn Association, Gummer Building, Guelph, Ontario, Canada. Tel: (519) 822-6841.

**GENE McDONALD**, The Shorthorn World, 16 S. Locust St., Aurora, Ill. Tel: (312) 896-8511.

**C. K. TOMSON**, Harding & Harding Livestock Insurance, Geneva, Ill. Tel: (312) 232-2100.

**AL HAMANN**, Rock Rapids, Iowa. Tel: (712) 472-8676.

**DWAYNE DIETZ**, The Drovers Journal, 105 South St., Harrisonville, Mo. Tel: (816) 842-5980.

**BILL POOLE**, The Westerner, Regina, Sask. Tel: (306) 523-0353.

Any of these reliable men can be reached at sale headquarters or at the Remital Cattle Company within 48 hours of the sale.

**INSURANCE:** Insurance will be available from the clerks.

**DELIVERY OFFER:** At a convenient time after the sale the Remital Cattle Company will deliver all purchases without charge to any buyer throughout the continental United States and Canada. A condition of this offer is that the animals are at the buyer's risk as soon as bid off. Insurance will be available from the clerks on sale day, and we strongly recommend that you insure your purchases for full value.

**TELEPHONES:** Carroll Latimer (403) 226-6504. Louis Latimer (403) 226-2491. Please use Louis Latimer's telephone on sale day.

**HARRIS SIMONS, Sale Manager**

16 S. Locust St., Aurora, Ill. 60506

The Great Event of 1968 — that's the Remitall Anniversary Sale . . . And for several reasons:

First, consider the honesty, integrity and acumen of Louis and Carroll Latimer. Both honored as "Builders of the Breed," they are respected by other cattlemen from all breeds and in many countries. Their reputation for square dealing is known wherever good Shorthorns are bred. What's more, their great skill in the production of superior breeding stock is proved by the vast number of Remitall bulls that head leading herds all over North America and by the high percentage of breeders who keep coming back to Remitall . . . year after year.

Second, consider the country itself. Alberta is an extremely hard land—rough, hardy and virile. To prosper here cattle must have the same characteristics.

Third, are the cattle. Seldom have I seen a single group of bulls and females so uniformly outstanding. Equally important, they are backed by time-tested pedigrees that have been carefully blended by two of the breed's most knowledgeable cattlemen. Wherever they have gone, Remitall has met the competition—and bested it.

To improve your position in the Shorthorn industry, be at Remitall May 20 to share in the Great Event of 1968. It promises to be one of the breed's most memorable days!

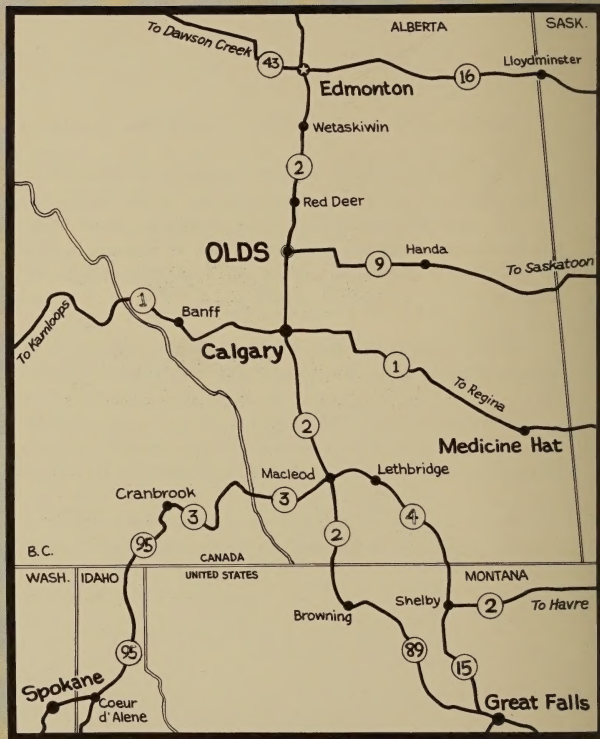

HARRIS SIMONS  
The Shorthorn World

## TRANSPORTATION and ACCOMMODATIONS

The sale is at the farm, one mile west of the Olds town limits and three miles south.

Calgary, a short 50 miles from Olds, is easily reached by all major air and rail facilities. Of course, we'll be more than happy to meet you at the terminals if advance notice is given. However, for those who prefer to drive, rental cars are available in Calgary.

Olds, 130 miles south of Edmonton, is 50 miles north of Calgary on Highway 2 and three miles west on Highway 27. Calgary itself is only 190 miles from the U.S. border.

## BE OUR GUEST.

If you enjoy inspecting some of the world's grand brood cows and most powerful stock bulls, we most cordially invite you to arrive the day before the sale. See the sale bulls and females and their sires and dams at your leisure. We sincerely believe you'll enjoy Alberta's refreshing mountain air in the springtime, meeting and visiting with your Shorthorn friends from across the country and seeing some truly great breeding stock.

For your convenience and comfort, a light lunch will be available at the farm throughout the day on May 19. So please come as early as you like, and stay as long as you can.

If it's impossible for you to arrive earlier, we hope you can accept our invitation to be in our home for a buffet supper, beginning at 5:30 p.m., May 19. Again, we'll do our level best to see that you have a good time visiting with your friends and discussing the world's greatest breed of beef cattle.

Remitall Consort played an important role in the development of the herd. He is out of Ballechin Lovely, our favorite foundation female. Consort sired Remitall Ruby Constance, 1959 Royal Winter Fair reserve champion; Remitall Fortress, Edmonton Futurity Champion; Remitall Grenadier, reserve junior champion of the Montana State Fair, and Remitall Lady Ramsden, dam of three class winners at national shows. Consort was a bull of exceptional scale and substance.

### FREE DELIVERY THROUGHOUT THE UNITED STATES & CANADA

At a convenient time after the sale the Remitall Cattle Company will deliver **all** purchases **without charge** to any buyer throughout the continental United States or Canada. A condition of this offer is that the animals are at the buyer's risk as soon as bid off. Insurance will be available from the clerks on sale day, and we strongly recommend that you insure your purchases for full value.

# CATTLEMEN RELY ON THE REMITALL REPUTATION . . . SO CAN YOU!

Dear Louis and Carroll:

You will be pleased to know Remitall Gold Emblem has arrived in fine shape, and looked great to the group of neighboring breeders who came in to see him at this "Homecoming Party" the next afternoon. Less than 24 hours off of the truck he weighed 1,450 pounds at just 16 1/2 months!

We were asked many times why we bought Remitall Captain Jim, and now--why we have followed with his full brother, Gold Emblem? It has been evident to us that most of the modern day Shorthorn cattle lack the growth factor necessary to satisfy the needs of the commercial cowman and feeder. While many Shorthorn bulls will weigh well at 12 months, when followed up to 24 months, their rate of gain in the second year may be less than a pound a day, and they fail to grow into mature cattle of ample size. Many two-year old bulls and females, put into working herds, failed to continue their growth as their breeding careers began. Also, many of our larger bulls and cows have produced cattle that failed to match their parentage in size when developed, indicating a lack of growing ability in their inheritance.

If the Shorthorn breed is to expand and grow, we must produce bulls with size and quality or the cowman will go to bulls of another breed. I'm sure you agree with this, as you have been very successful in your commercial bull sales.

Captain Jim was the best big bull we could find available in 1966. We were familiar with his Denver grand champion brother, Remitall Baronet 2nd, and the job he was doing. We risked being ahead of the trend in our own area by buying this massive bull that weighed nearly a ton at 2 years. He has fulfilled our expectations with a high quality group of calves that look as though they will be at least 50 pounds heavier at weaning age, and nearly 100 pounds heavier at a year of age than any we have had. And his first baby calves stood up well in the strong show at Denver, even though we had just a few early ones from which to choose.

When we saw Gold Emblem in December, we thought he was the best bull we had seen for sale, and we began considering the possibility of following the first bull with a full brother. Both had the same size, stretch, and growing ability. They were sired by one of the great all time breeding bulls, Melburn Great Event, and out of a grand cow that milked well, produced five full brothers and a full sister that have all been of this same type, and yet stayed smooth and trim. While both bulls are bred alike, Gold Emblem has some qualities we felt we needed to accentuate, and still not lose any of the gains we have made with Captain Jim. When Gold Emblem lived up to his promise and was made grand champion bull at the Canadian International, we felt \$8,100 was a very reasonable price to pay for a bull that could do so much for us.

We firmly believe that these two bulls, blended with our cow herd, can build a new blood-line that can make a great stride forward in producing a new look in Shorthorn cattle. You are to be congratulated on producing these two bulls, as well as the many other improving bulls that have been produced at Remitall in the past.

Wishing you great success with your May 20th production sale, I remain,

Sincerely yours,

*Paul*

Mr. Harris Simons  
Shorthorn World  
Aurora, Illinois

Dear Harris,

It is with special pride that I have watched my sons, Louis and Carroll, develop their farm and herds at Remitall. I know that my father would also feel the same as I do, to see such results from the pioneering and hardships that he endured to bring a purebred Shorthorn herd to this area from Missouri at the turn of the century, and see these animals generate to a seed stock nursery for North America. No boys were ever more dedicated or more determined to make a success of breeding Shorthorns. Many times when things were certainly not going as planned, I have never heard them wish they were doing anything but breeding better cattle. I can see this same competitive spirit in the grandchildren and believe there is a good future in Shorthorns and for them.

We consigned bulls to the Calgary Bull sale in 1905 and Latimer bulls have won more championships over the years there than any other family. Only the dependable kind could survive 63 years of trial. There are a larger percentage of top cattle today than ever in history. I am sure this came about by constructive breeding. International champions in the last number of years have come from dams by Latimer bulls. I wish the boys a successful sale and God willing will see you all there.

Yours truly,

*N. D. Latimer*

Remitall Hercules

Dear Louie and Carroll:

For some time now, I have been wanting to write you regarding Remitall Banner, and tell you how pleased we are with him.

As you know, he was turned out all last summer, and was used pretty hard for a young bull. However, he continued to grow and develop as we hoped he would.

Banner now weighs well over 1,700 pounds and looks great.

We have several calves by Banner and they look like the kind we are striving to produce. We plan to give him most of our best cows this summer.

I was impressed by your Brandon sale champion and was glad to see him come to the Alexander's good herd. He should improve our Shorthorn cattle in the U.S.A.

Keep up the good job you are doing, breeding Shorthorn cattle, we need more like you.

Sincerely,

*John F. Shuman*

**JOHN F. SHUMAN & SONS**  
Byers, Colo.  
Remitall Banner

Dear Louie and Carroll:

The use of Remitall Broadarrow, Remitall Bugler, and Remitall Randolph on our cows has resulted in calves that have been very well accepted by the commercial cattlemen of this area. Their substance, bone, and overall soundness have been passed onto their offspring. It is very encouraging to be using herd bulls that will transmit these characteristics year after year and still retain their form and potency even in their later years.

The local veterinarian remarked that he thought that the feet of Broadarrow were the soundest feet he had seen on a bull of his age. I am sure that your customers, especially in the West, appreciate this attribute.

It is difficult to say whether Remitall Randolph or Remitall Broadarrow is the better breeding bull. The visitors here are about evenly divided as to which bull is doing the better job.

Best wishes and success in your up-coming sale.

Sincerely,

*Wendell*

Remitall Broadarrow  
Remitall Bugler  
Remitall Randolph  
Remitall Ideal Mint

Dear Carroll:

As you know we are using our second Remitall bull, Remitall Good Fortune, and we have 20 calves by him. The oldest are three months old now and have tremendous length and depth as well as excellent thickness and bone. They all have good heads and are growing very rapidly.

None of the heifers will be for sale, but we will feed out some steers and bulls for sale later. Good Fortune is continuing to grow and looks better all the time. He is a long bull with a good disposition and an easy keeper.

Sincerely,

*Merle*  
Merle L. Jordan  
Crestloch Shorthorns

**MERLE JORDAN & SONS**  
Pasco, Wash.  
Remitall Good Fortune

Dear Louis and Carroll:

I now have five calves on the ground by Remitall Villager and without hesitation will say they are the grandest group of calves yet produced here.

They all have the structural correctness, substance, length, and thickness along with good character that makes a beast easy on the eye.

We are having an early spring here and field work is under way.

Best wishes to you and yours.

Sincerely yours,

*Bill*  
Bill McLean  
Coulee City, Wash.

**BILL McLEAN**  
Coulee City, Wash.  
Remitall Villager

Dear Louis and Carroll,

Remitall Royal Mascot is doing an excellent job for us and this past year he has taken the role of senior herd sire and is doing a great job of it, even though his first crop of calves is not a full year old yet. He seems to be a great "bull getter" for even though we were using two other herd sires, the first year we used Mascot, over half of the bulls we have kept for our bull trade are by Mascot and all but one of these bulls are heifers' first calves.

We are very pleased with the way that Mascot has developed. He has tremendous length of loin and a long and deep quarter. We feel that these characteristics alone transmitted to his calves will increase our bull trade. He is a very potent breeding bull and when we lost our senior herd bull last spring (1967), just before turn-out time, we were forced to turn Mascot with forty cows on rough, dryland pasture. After two months when our other bull was not able to settle all his cows, we brought in Mascot to breed what he had missed. In all, Mascot bred over fifty cows in a three month period and he was not even three years old.

Probably the best indication of my satisfaction with Remitall Royal Mascot is that I went back to Remitall for our next herd sire. At the 1968 Brandon International Sale we bought Remitall Ideal Mint in partnership with Wendell Lovely of Wilsall, Mont. We are expecting even greater things of this outstanding, well-balanced, big bull.

This must be true of many Remitall buyers, for after the last Remitall bull was led from the ring at Brandon, the entire consignment had been sold to repeat buyers.

We would like to take this opportunity to wish you and your families a very successful sale on May 20th.

Sincerely yours,

Kenneth Glantz  
Roberts, Montana

# A SUPERIOR PRODUCT MAKE REMITALL A

Dear Louis,

Thought you would like that I report on our calves by Remitall Belvedere. We have had fourteen births to date with fourteen large, vigorous, live calves with a growth factor that is unparalleled.

Louis, in my twenty-seven years with Shorthorn cattle, I have never seen a bull able to transmit the uniformity in his progeny as Belvedere does, and the type in our females varies quite a lot. As one of Oklahoma's finest cowmen said only yesterday, "I can't find a calf among this bunch that I don't consider outstanding."

Belvedere could well be my finest cattle investment. We will get about twelve more calves from him this season.

Wishing you and Carroll the greatest of success with your upcoming sale, I am

Sincerely,

Cliff Milligan  
Lacy Farm  
Hinton, Oklahoma

# PLUS PERSONAL INTEGRITY NAME YOU CAN TRUST

Dear Louis and Carroll,

Just a few lines to let you know we are now getting another crop of Remitall Benedictus calves. They look just as good as last year's, showing their exceptional length and size. His calves are very vigorous at birth, have good bone and grow rapidly giving us the kind of bulls to meet the demands of our Idaho cattlemen. We have retained most of the Benedictus heifers as he left us some good ones, and we are sure they will play an important part in the breeding program at Chris-Idah.

As you now know, we recently lost Benedictus and because we are satisfied with his accomplishments, we have followed the old adage - "a satisfied customer is a repeat customer". We feel very fortunate in obtaining his sire, Remitall Hercules. We are looking forward to the future with this proven Kelburn Great Event son at the helm of our herd.

Sincerely,

*W. Kent Christensen*

Remitall Grayburn

Mr. Harris Simons  
Aurora, Illinois, U.S.A.

Dear Harris:

You have asked in regard to the role of "Choice Mint" in the breeding operation at Aldonlea Farm. Firstly, our operation is to produce sound, practical cattle under normal range conditions. It is our aim to grow cattle which will fit the needs of practical livestock producers at a reasonable price. Hence the purchase of "Mint". We had picked him out as a youngster and watched his development very closely.

This bull possesses many qualities that are needed in Shorthorns in North America. His early maturity combined with mature size, general soundness and extremely good feet make him attractive to all.

Our confidence in this bull was justified when Remitall developed his first bull calf to be the champion at the National Show at Calgary last summer and carried this bull on to the International bull sale at Brandon, where he was sold at the second high of the sale, \$5300.

Our calves here are growing well on primarily a roughage ration and we are most pleased by the comment of many practical livestock men who have seen them.

The pedigree of this bull and its suitability to our breeding program combined with his tremendous individuality assure us that the right kind of a herd bull is a sound investment in the future of any herd.

Sincerely,  
*Alan G. Wilson*  
Alan G. Wilson  
Duhamel, Alberta

Dear Louis and Carroll,

Since Remitall Grayburn, by Kelburn Great Event, was purchased at the 1967 Calgary bull sale at \$975, I have felt he came on the scene at just the right time. I had been beset with a great deal of misfortune and had been seriously considering selling my herd of some 35 cows.

From the day I first brought him home I have been completely satisfied with him. It has really been a pleasure to have this bull around. I am especially impressed with his structural soundness. He walks easily on good, straight legs, and walks the pasture from one end to the other.

To top it all off, I have complete confidence in the people at Remitall. Registered cattle are only as good as the people who breed them, and I think that Remitall farms is a rare combination of good cattle and good people. When I am in need of another stock bull, I intend to purchase him at Remitall.

Sincerely,

*Ed Shinn*

Ed Shinn  
Mabton, Washington

(Above) Remitall Mr. Louis, the first of four consecutive grand champions, winning in 1965. He sold at a record \$5,900 to Ray Parks and Sons, Butler, S. Dak. By Remitall Mr. Wib.

(Above) Remitall Wib's Scout grand champion in 1966. Sold for \$2,500 to Roger Williams, Cleveland, N. Dak. By Remitall Mr. Wib.

(Above left) Remitall Captain Jim, \$3,500 top in 1966 to John Alexander and Sons, Melbourne Farm, Big Rock, Ill. He matured into a 2,300 pound sire as a three-year-old. By Kelburn Great Event.

(Middle left) Remitall Dandy Argosy sold in 1968 for \$3,500 to N. D. Latimer and Sons, Innisfail, Alta. By Drynie Argosy.

(Lower left) Remitall Daisy's Prince, first in class in 1964 and sold for \$1,800 to Bob and Fred Johnston, Lena, Man. By Kelburn Great Event.

## AT THE CANADIAN

- 1964** \$1,583 second top average.  
Entered two classes. Won two firsts, one third
- 1965** \$2,630 top average.  
Entered three classes. Won two firsts, one fifth.  
Record top bull at \$5,900.  
Best pair of bulls.  
Grand champion bull.
- 1966** \$2,283 top average.  
\$3,500 top-selling bull.  
Entered two classes. Won two firsts, one third.  
Grand champion bull.
- 1967** \$4,050 record top average.  
\$8,000 record top bull.  
Entered four classes. Won three firsts, two seconds.  
Grand champion bull.  
Best pair of bulls.

(Above) Remitall Banner, third straight grand champion in 1967. Record top at \$8,000 selling to John F. Shuman and Sons, Colomeadow Ranch, Byers, Colo., and Davison Ranch, Elizabeth, Colo.

(Above) Remitall Gold Emblem, grand champion and record top seller in 1968. The fourth straight year for our bulls to win and the third time for them to set a new record top. Buyer at \$8,100 was Melbourne Farm, Big Rock, Ill., who had purchased his full brother in 1966.

## INTERNATIONAL

**1968** \$3,625 top average.  
\$8,100 record top bull.  
Entered six classes. Won three firsts, one second, two fourths.  
Grand champion bull.  
Best pair of bulls.

In five years at the Canadian International, Remitall has shown four consecutive grand champions; scored the top herd average four consecutive years; four times has sold the top bull; three times has established new record tops for individuals. In five years 17½ Remitall bulls have grossed \$53,000 for an average of \$3,075! Only great individuals could establish these records in a highly competitive show with entries coming from all parts of North America.

(Upper right) Remitall Ideal Mint, second top in 1968 at \$5,300 to Ken Glantz, Roberts, Mont., and Wendell Lovely, Willsall, Mont. He was a member of the first place two-bull group. By Remitall Choice Mint.

(Middle right) Remitall Wib's Constellation, second top of the 1967 sale at \$4,200 to Ken Parkinson, Arnprior, Ont. By Remitall Mr. Wib.

(Lower right) Remitall Royal Fortune sold in 1967 for \$2,500 to James Fogal, Tuscarora Farms, Neelyton, Pa. By Beaufort Fortune.

# AT DENVER'S

It's a long way from Denver to Calgary, and outside of upsetting trucks and a few other small problems, it's been an enjoyable experience. Denver is one of the great stock areas of America and one in which

Remitall Bequest, champion sale bull and second top of the 1968 sale at \$4,050 to Walking Plow Shorthorns, Wiggins, Colo. Bequest also won his class in the open show. By Kelburn Great Event.

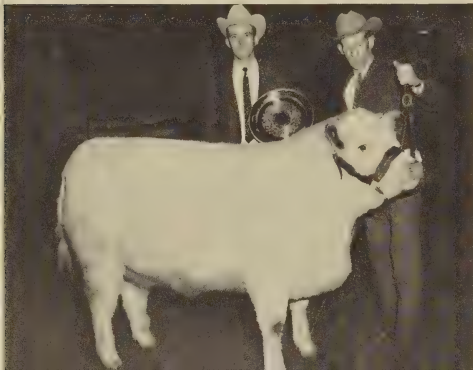

**1961** Grand champion pen-of-five bulls.

**1962** Grand champion pen-of-five bulls.

**1963** Grand champion bull.  
\$3,500 second top bull.  
Grand champion sale female.  
Top-selling female.

**1964** Reserve champion sale heifer.  
\$2,000 second top bull.

**1965** Reserve champion sale heifer.  
Second top heifer.

Second top heifer.

**1968** \$4,050 second top bull.  
Grand champion sale bull.  
Grand champion sale heifer.  
\$1,500 top heifer.  
Top average of \$1,847 on five bulls.

Remitall Baronet 2nd, grand champion of the 1963 National Western show and later reserve champion of the sale, and sold at \$3,500 to Cliff Hill, Salem, Ore. He is a full brother to Remitall Captain Jim and Remitall Gold Emblem, both of which topped the Canadian Bull sale. By Kelburn Great Event.

(Right) Remitall Good Fortune, champion of the 1967 National Western sale, selling for \$1,750 to Merle Jordan, Ferndale, Wash. By Kelburn Great Event.

# AT THE GREAT

The Calgary Spring Bull Sale is historically one of the greatest of them all with hundreds of bulls of all breeds vying for the attention of experienced stockmen from coast to coast. In six years, Remitall bulls have had the highest daily gain both as a group and individually of any Shorthorn bulls at Calgary. Here's just part of the record.

**Remitall Choice Mint**, grand champion of the 1966 sale and top bull over all breeds at \$4,800 to Alan Wilson, Duhamel, Alta. By Remitall Hercules.

**1963** Champion group of two  
Champion group of three  
\$1,275 top bull  
\$1,175 top herd average

**1964** Grand champion bull  
Champion group of two  
Champion group of three  
\$2,000 top bull  
\$1,556 top herd average

**Remitall Everest**, top-selling bull of the 1963 sale at \$1,275 to A. C. Watt, Grindrod, British Columbia. He holds the record for life-time gain on a Shorthorn at Calgary at 2.98 pounds a day. Sired by Louada Voucher.

The best two bulls of the 1965 sale. Remitall Benedictus on the left by Kelburn Great Event was reserve junior champion and top seller at \$2,600 to Crapo Brothers, St. Anthony, Idaho. Remitall Headline on the right is pictured on the opposite page.

(Lower right) Remital New Year's Gift, 1964 Edmonton grand champion, sold for \$950 to Robert Biggart, Cutknife, Sask. By Kelburn Great Event.

## WHAT IS A GREAT COW REALLY WORTH?

In the Remitall breeding program, the females carry as much or more importance as the herd sires. You can mis-mate and replace stock bulls; however, it is a slow, costly process to replace the foundation females. The Latimers selected their foundation females very carefully. Any cow

bought was chosen with the idea that she was good enough to be dam of a stock bull, if her calf showed that form.

Naturally, the better the cows, the better the herd bulls must be. Eventually there comes a point when the cows are just as good as the bulls. Then begins the reason

What is one cow worth. Here are three daughters and two granddaughters of HVF Fair Constance 3rd. From left, REMITALL MISSIE CONSTANCE, Lot 30, dam of the \$1,100 Remitall Cascade; the \$1,700 Remitall Villager. The white heifer is REMITALL VERA CONSTANCE, Lot 35, dam of two replacement heifers. Remitall Fay Constance is dam of Remitall Thor; Remitall Fair Constance is dam of the \$1,000 Remitall Pandelus and of Fay Constance, pictured. Remitall Ruby Constance is dam of the \$8,000 Remitall Banner, dam of Missie Constance pictured, and of Remitall Constance Jewell, mother of the \$5,300 Remitall Ideal Mint.

for a linebreeding program to intensify the blood or genes of the outstanding animals and to lessen the poorer or unknown animals.

Remitall's success is due largely to this careful breeding program. This is the program that has produced the scores of Remitall stock bulls in service for leading herds. Think what one Remitall female can do for you!

Kelburn Clipper Beatrice 5th, left, is the dam of Kelburn Great Event. She and her half sister (shown) also by Calrossie White Emblem, were grand and reserve grand champion over all breeds at Brandon, Man., in 1957.

**BALLECHIN LOVELY**, Remitall's favorite female, was undefeated in 1950 and 1951. She produced Remitall Consort that was used at Remitall for two seasons and sold to Les Sauer, LaCrosse, Wash. Her influence on the herd was far-reaching.

Remitall Norma Daisy is shown with her son **REMITALL SUPER EVENT**, Lot 1. She is a double granddaughter of Ballechin Lovely, Remitall's greatest foundation cow. Norma Daisy is also the dam of Remitall Wib's National.

# KELBURN GREAT EVENT

Kelburn Great Event is acknowledged everywhere as one of the greatest sires the breed has ever known. He represents a milestone in the development of Shorthorns everywhere. His ability to sire great bulls as well as heifers, marks him as a sire second to none. "That he accomplished this in our rough and tumble outfit says even more for him," says Louis Latimer.

Great Event is by a son of the famed Calrossie Constellation. His dam, Kelburn Clipper Beatrice 5th, climaxed her show career winning the Canadian National Exhibition and the Royal Winter Fair. A daughter was later RWF grand champion. Clipper Beatrice 5th (pictured on page 21) is by Calrossie White Emblem, a full brother to Calrossie Constellation.

Great Event's record as a sire is well-known. Among others, he sired the \$8,100 Remitall Gold Emblem, champion and record top of the 1968 Canadian International, and the exceptionally big Remitall Captain Jim, top of the 1966 Canadian International, both to Melbourne Farm, Big Rock, Ill.; Remitall Baronet, the \$3,500 Denver grand champion owned by Cliff Hill, Salem, Ore.; Remitall Pamela, junior champion of the 1961 Royal Winter Fair; Remitall Elsie Daisy, 1963 Denver sale champion and top to Wilf Miller, Olds, Alta.; Remitall Banner, \$8,000 Canadian International champion and record top to Colomeadow and Davison Ranch; Remitall Executive, 1962 Edmonton champion and top to John Bell, Spruce Grove, Alta.; Remitall Mascot, 1964 Calgary champion; Remitall Destiny, stock bull at Mr. and Mrs. T. C. Stuart's, Tutira, Arundel, Que.; Remitall Bequest, the \$4,050 champion of the 1968 National Western; KC Silver Event, All-American and International first-prize junior bull calf in 1968, and Royalty Bold Venture that sold at five weeks for a record \$1,500 to Bilmar Farms, Durand, Mich.; a daughter topped the 1968 National Western at \$1,500 to Mrs. Kay

Haley, Ventura, Calif. We could go on and on, but you get the idea.

All Great Event calves have wonderful scale and bone. His daughters are females of exceptional strength and great udders. Now his influence is being perpetuated through several generations at Remitall. Here is your chance to buy his sons and grandsons and more than 20 of his daughters!

**REMITALL HERCULES** — He is owned jointly with Hayard Farms, Innisfail, Alta., and Kent Christensen, Shelley, Idaho. His dam, Remitall Augusta Queen, also produced Remitall Keynote that sold to Dwayne Dietz, Waukeeney, Kan.; Remitall Mr. Louis, Canadian International champion and record seller at \$5,900 to Ray Parks and Sons of South Dakota; Remitall Belvedere, sold privately to Cliff Milligan of Oklahoma; and Remitall Destiny, sold privately to Mr. and Mrs. T. C. Stuart, Tutira, Arundel, Que. A full sister, born last fall, will keep this family going for generations.

His first daughter topped the 1964 "Pick of Alberta" sale at \$1,250. His first son topped the 1965 Calgary Bull sale at \$2,600. Another daughter was reserve champion sale heifer at the 1965 National Western and second top-seller. A son, Remitall Choice Mint, was 1965 Edmonton Futurity reserve interbreed champion and later sold at \$4,800 after being grand champion at the 1966 Calgary Bull Sale and topping all breeds; a daughter, Remitall Gay Donna, was both futurity and sale champion at Edmonton in 1966 selling for \$1,200. Choice Mint sired the \$5,300 second top of the 1968 Brandon sale. Hercules weighed 2,050 pounds at Olds on April 21, 1966, in breeding condition. Hercules calves have the structural strength, character and easy fleshing that makes them so popular with commercial breeders.

Left — Remitall Bevedere out of Remitall Augusta Queen is stock bull for Cliff Milligan, of Oklahoma.

Right — Remitall Mr. Louis was champion and \$5,900 record top of the Canadian International to Ray Parks and Sons of South Dakota.

## The Dam of Remitall Hercules Also Produced These!

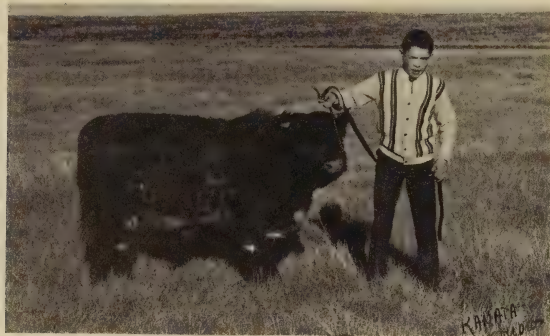

Left — Remitall Keynote is stock bull for Dwayne Dietz, Waukeeney, Kansas.

Right — Remitall Destiny was sold privately to Mr. and Mrs. T. C. Stuart to head their Tutira herd, Arundel, Que.

**BAPTON CONSTRUCTOR**

Remitall Mr. Wib by Bapton Constructor was used successfully at Remitall. A son, Remitall Mr. Louis, was \$5,900 Brandon champion and record top.

## **BAPTON CONSTRUCTOR**

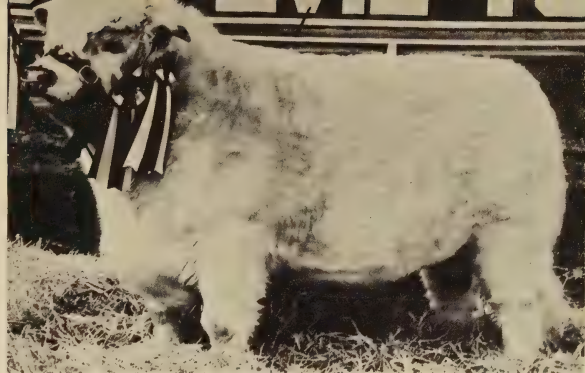

To repeat the record of Bapton Constructor here would be to recite a major portion of Shorthorn history for the last 12 years. He is immortal in Shorthorn halls of fame. The great Louada herd in Ontario is the show window of his progeny and their ability to reproduce with each succeeding generation.

Remitall acquired a supply of Bapton Constructor semen and has used two sons in the development of the herd. Constructor is a son of Calrossie Constellation. The sire of Kelburn Great Event is by Constellation. Great Event's dam is by a full brother to Constellation. Here is linebreeding at its best and it has worked perfectly. You can appraise the results at Remitall on May 20.

Louada Voucher by Bapton Constructor gave Remitall its first infusion of that important blood. He plays a major role in many of the pedigrees selling.

**REMITALL CHOICE MINT** — Owned jointly with Alan Wilson, New Norway, was 1966 Calgary grand champion and top-selling bull in Alberta all breeds at \$4,800. When we saw Choice Mint's first calves with their heavy bone, deep muscling, easy movement on good feet and legs, we just had to get a share back to intensify this in our herd. His first son shown captured the supreme championship at the Centennial Show at the 1967 Calgary Exhibition. His son, Remitall Ideal Mint, sold at \$5,300 to Wendell Lovely and Kenneth Glantz in Montana. Another great son is at Cliff Hill's, Salem, Oregon. Choice Mint's pedigree is an even combination of a group of notable individuals to give us a strong outcross.

REMITALL WIB'S NATIONAL — 1965 Toronto Royal reserve champion, undefeated in Alberta in 1965. Sold two-thirds interest in Wib's National at Chicago Congress sale (for the second high) to Otis Rothlisberger, Elgin, Iowa. His first daughters and son are on offer for your appraisal. A maternal brother, Remitall Super Event, is one of our stock bulls and sells in this sale. Both are linebred to Calrossie Welcome and Ballechin Lovely. We consider Ballechin Lovely as our best foundation female.

**Remitall Norma Daisy is the dam of Remitall Super Event.  
That's Super as a calf at foot.**

**REMITALL SUPER EVENT**—He has been a super calf from the day he was born. He is siring the same kind. When Harris Simons visited here in February, he felt like it was a must that Super head this Great Event sale, so here he is. We are selling one-half interest and full possession if we have enough semen by sale time.

Remitall Consort and Ballechin Rose Marie are son and daughter of Ballechin Lovely (our great foundation cow). Calrossie Constellation and Calrossie White Emblem are full brothers. Super is a super blending of several tremendous cow families—the Calrossie Augustas, the Calrossie Flossys, the Clipper Beatrices, and the Remitall Daisys through Ballechin Lovely to Ballechin Daisy 3rd. It is hard to find a pedigree with such a combination of structural greatness of the Calrossie Welcomes, the fleshing and foot strength of the Consorts, Clipper Beatrices and the Daisy line that gets stronger the more you linebreed them. Norma Daisy's first calf was Remitall Wib's National, the second was Super, and the third is White Magnet that you will hear more of as he develops.

The original Daisy was purchased in the late Hon. Duncan Marshall's dispersion in the 1920's, descending from Ballechin Farms in Scotland. For some reason, both at Marshall's and Latimer's, the family was carried on under the Ballechin name rather than Daisy which they really are. Remitall has converted them back to Daisys, so any time you see Ballechin in their pedigrees (unless it shows as imported) they are Daisys.

The Daisies at Remitall stem from Ballechin Delia, the granddam of Ballechin Lovely. Several of these cows produced 12 to 14 calves with Lynn Farm Ballechin Daisy producing 15. The Daisies have several outstanding characteristics besides prolificness. They are large, roomy cows with the most bone of any family we have. They always come up better with intensive linebreeding. Many of the other families have been beefed up with a Daisy bull. There are more than 30 Daisy females in the herd and a large number sell.

REMITALL SUPER EVENT, Lot 1.

Remitall, Benedictus was top-gaining Shorthorn bull at Calgary in 1965 weighing 1,560 pounds at 19 months. He topped the sale at \$2,600. Lot 2 is a full brother.

REMITALL VANGUARD 2nd — Is full brother to Remitall Benedictus, high gaining Shorthorn bull at Calgary in 1965, weighing 1,560 pounds at 19 months. He was top-selling bull to Crapo Brothers of Idaho, at \$2,600. Frank Cole in Montana has purchased an outstanding son of Benedictus. Kent Christensen, purchaser of the Crapo Brothers herd, was so pleased with Benedictus progeny that, after failing to get Remitall Gold Emblem, he purchased Hercules here at the farm. Calrossie Problem was a second-prize winner at Perth and sold at \$8,300 to A-7 Ranches. One of his sons topped all breeds for gain at the Lethbridge Experimental Station. This extra size was what we were looking for and we purchased him for Remitall Fair Constance 34th, a large, smooth female that was twice Missouri State Fair champion. Two other maternal brothers have won championships at Calgary.

REMITALL UNIQUE — Full brother to Remitall Emmelie Rose that sells as Lot 16, Remitall Emmelie Lass that we are retaining, and Remitall Bugler, used here as a yearling and now stock bull for Wendell Lovely, Wilsall, Mont. Remitall Banner Queenie was granddam of Remitall Wib's Scout, 1966 Canadian International champion, going to Roger Williams, Cleveland, N. D. Killearn Max Mint was a sire of several champion carload and single steers at the Toronto Royal. This bull offering is the top of our spring calves.

REMITALL UNIQUE, Lot 3.

REMITALL FAVORITE, Lot 4.

REMITALL FAVORITE — Has always been one of the favorites. Remitall Princess Royal is dam of Keith Manuel's stock bull, Remitall Wib's Pilot, sire of Lot 8. She is also dam of Remitall Royal Argosy, sold to Ray Parks & Son, Butler, S. D., also Wib's Legend, selling at Edmonton. Princess Mary was the top-selling heifer calf in the Cruggleton dispersion. Cruggleton Bilsland is a brother to Calrossie Welcome. Remitall Augusta Queen is the top money earner of our cows. It would be a real thrill to have the animals showing in Favorite's pedigree in one group.

Remitall Hercules is shown here as a young calf on pasture.  
He is the sire of Lot 4.

**Lot 4**

The imported Drynie Argosy was purchased to bring an outcross to Remitall. A son, Remitall Dandy Argosy, sold at \$3,500 at the 1968 Canadian International. Lot 5 features the blood of these two prominent sires.

**REMITALL CUMBERLAND** — It is a real thrill to present Cumberland, as he is Dandy's first bull calf. Two-thirds interest in Remitall Dandy Argosy sold at Brandon for \$3,500 to N. D. Latimer & Sons of Innisfail. Dandy was a very consistent winner last year, although just presented in good breeding shape. Kair Destiny was purchased at 1,000 gns. at Perth. Garykolno Lady Buttercup is also dam of Remitall Crocus Count, stock bull for Don Lock, Campo, Colo., and Remitall Century at Bob Raisback's, Lancaster, Wis. See notes under Dandy Argosy about Clara Ivy, one of the very top Great Event daughters.

REMITALL WHITE EAGLE, Lot 6.

The blood of the immortal Bapton Constructor is playing a continuing role at Remitall. Lots 7 and 10 are sons—perhaps the last ever to sell in any production sale.

**REMITALL SILVER MEDAL** — A soggy son of Bapton Constructor. His dam sells as Lot 34. Remitall Lynn Daisy was 1959 Edmonton Futurity champion, and sold to Chevelle Farms, Aledo, Ill. Lynn Farm Ballechin Daisy produced 15 calves for us. Every one of them had this great ability to breed on. This calf caught Dave Lorenz's eye last fall.

REMITALL BULLION — We were trying something here, partly to test Hercules out, and we think we've got something. The other cross we brought into the pedigree—Ballechin Rose Clara (imp)—was one of the best producers we have owned. She is the dam of Remitall Monarch's Climax used successfully here, then sold to Hymas at Rosebud for \$2,050 in our first production sale. Also Remitall Galahad, sold privately to Louada. Her daughter is the dam of Remitall Frosty Consort, the bull that gave us a great deal of size. Frosty sired Hercules' granddam, Remitall Augusta.

REMITALL IMPERIAL — Another son of Bapton Constructor, and out of one of our better Drynie Argosy daughters. We are also keeping her daughter by Remitall Captain Jim. Remitall Mina Daisy sells as Lot 22 and has been a producer of money-making cattle.

**Lot 10**

**REMITALL IMPERIAL, Lot 10.**

Remitall Wib's National was reserve grand champion of the 1965 Royal Winter Fair and second top of the International Congress Sale. He combines several larger bulls including Calrossie Constellation, Calrossie White Emblem and Marden Consort through Remitall Consort and Frosty Consort. He is from the famed Daisy tribe through the great Ballechin Lovely. Lot 11 is a grandson.

**REMITALL GRAND NATIONAL** — The first son of Remitall Wib's National to be offered. We pulled this calf and his mother in from the pasture late last summer, put them on the show circuit, and they stood either right at the top or right next to the top everywhere. Roanella is granddam of our champion sale bull at Denver in 1967, selling at \$1,750 to Merle Jordan in Washington. Wiltshire Mary Ella produced Remitall Marshall, the \$2,500 record selling bull at Edmonton to William Melnyk and Sons of Chipman. Also, dam of Remitall Pamela, junior champion at the Toronto Royal, now at Melbourne Farm, Big Rock, Ill.

REMITALL DAISY NELL — Full sister to Remitall Daisy Prince, our top-selling bull at Brandon in 1963 at \$1,800 to Johnson Brothers, Lena, Man. Another full brother won his class in 1964, was in our first-prize pair of bulls and sold for \$1,250. Retaining her bull calf. Dam sells as Lot 19.

REMITALL JEALOUS LADY — We are keeping her last year's heifer calf by Bapton Constructor. A full sister is one of our best cows. Has a red heifer calf, born February 28, by Remitall Dandy Argosy.

REMITALL MINA DAISY — Granddam of Remitall Imperial, Lot 10, and is bred very like Lot 19, Remitall Mona Daisy, having the same sire and on the dam's side, has the same granddam. Red heifer calf at foot by Remitall Dandy Argosy, born January 16.

REMITALL MINNIE DAISY — Remitall Mr. Wib sired two Brandon International champions, and the first of his heifers sold at Denver when a nine-month-old heifer was reserve sale champion and made \$975.

REMITALL SECRET SUSIE — We would like to keep her here and show her this summer. We could breed her if the buyer desires. Her dam produced the reserve champion heifer at Denver for us in 1966. Hercules sired Remitall Choice Mint, \$4,800 champion at Calgary in 1966. His first heifer topped the 1964 Lacombe female sale at \$1,250 at just nine months of age. Another was 1966 Edmonton Futurity champion and top-seller at \$1,225.

REMITALL MYSIE KATE — A very intensely linebred cow to Calrossie Constellation and Calrossie White Emblem (full brothers) and two of the greatest breeding bulls. We are keeping her 1966 heifer. She is the dam of Lot 25, and will calve near sale time to the same sire, Remitall Wib's National.

REMITALL MELODY CONSTANCE — Always a favorite, we would like to retain show privileges and would breed her. Her dam is a full sister to a reserve champion in the 1966 Calgary Bull sale and three-quarter sister to Remitall Benedictus, top-seller in the 1965 Calgary Bull sale. Also, to Lot 2, Remitall Vanguard 2nd.

Fontana Admiration was used successfully at Remitall where he sired grand females including Remitall Crimson Constance, Lot 28.

REMITALL CRIMSON CONSTANCE — Champion female at Olds Fair in 1965, the only time shown. Dam of stock bull for F. A. Sisson, Lacombe. Also maternal sister to Lot 2 bull and others mentioned in footnote for Lot 27. Will be close to calving to Kelburn Great Event.

REMITALL DAISY MARY — First calf sold at Denver in 1967 for \$1,075 at twelve months. We are retaining her 1967 heifer for the herd. Her pedigree represents many of the best cattle we have worked with. Linebred to Ballechin Lovely, undefeated show cow and dam of Remitall Consort, that sired some of our best brood cows, including the dam of Remitall Banner. Will calve before the sale to Remitall Royal Mint, a son of Remitall Choice Mint that was chosen by Cliff Hill, Salem, Ore., to follow Remitall Baronet, 1963 Denver champion.

REMITALL HOLLY CONSTANCE — Is full sister to Lot 35, Remitall Vera Constance. We purchased her dam in the 1962 Hyland View sale, selecting her for her bone and fleshing. She has done a great job for us, producing such cattle as our 1959 Toronto Royal reserve champion female and 1959 Montana State Fair reserve champion. Will be near calving at sale time to Remitall Wib's National.

Kelburn Great Event and his first three daughters. The white heifer is Remitall Secret Queen. On the left is Remitall Daisy Queenie. Both were retained. The center heifer is Remitall Camelia that topped the 1961 Remitall sale, was Royal Winter Fair junior champion and now is at Melbourne Farm, Big Rock, Ill.

Remitall Wib's Constellation sold at \$4,200 in the 1967 Canadian International to Ken Parkinson, Arnprior, Ont. He is out of Lot 37, Remitall Nancy Daisy.

**REMITALL NANCY DAISY** — Her first calf by Kelburn Great Event was first-prize at the Calgary Bull Sale and purchased by Leo Halstead & Sons, Carbon, Alta. for \$1,300. Next was Remitall Wib's Constellation, member of our champion pair of bulls in Brandon in 1967, selling at \$4,200 to Ken Parkinson of Ontario. Her 1966 heifer, Daisy Rose, sells as Lot 38, and her 1967 heifer is being retained. She will calve soon after the sale to Remitall Wib's National, reserve champion 1965 Toronto Royal and herd sire for Otis Rothlisberger, Elgin, Iowa.

REMITALL CLARA JEAN — Has a beautiful heifer calf by Remitall Banner that we will keep to replace her mother. We kept three heifers by Phopachy Notable. One of these is the dam of Remitall Hercules, Keynote, Mr. Louis, Belvedere and Destiny. Ballechin Clara (Imp) is the dam of Remitall Frosty Consort, the bull that put more size in our herd than any other. Pittodrie Fortune was a class winner at Perth, but was ineligible to show for the championship because of a change of ownership at Pittodrie.

## Free Delivery Throughout The United States & Canada

At a convenient time after the sale the Remitall Cattle Company will deliver ALL purchases WITHOUT CHARGE to any buyer throughout the continental United States or Canada. A condition of this offer is that the animals are at the buyer's risk as soon as bid off. Insurance will be available from the clerks on sale day, and we strongly recommend that you insure your purchases for full value.

REMITALL MAYFLOWER'S MOTH — Out of the same cow as Remitall Headline, reserve champion at Calgary 1965 Bull Sale. Sold for \$1,400 to William Darlington, Hesp, Alta. Her first calf is a Bapton Constructor. She sells with roan bull calf by Remitall Dandy Argosy, born December 27, an outstanding prospect. Bred to Remitall Choice Mint.

REMITALL EMELIE MARIE — A full sister to Remitall Emelie Fay, 1965 Edmonton Futurity champion female. A maternal brother, Remitall Justin, is stock bull for Glen Powell, Grandview, Man. Emelie 23rd and two full sisters were the three top-selling females in the W. E. Hills dispersion. The Hills herd produced many great show steers at the Toronto Royal for Lauri Byers, Camrose.

REMITALL RAMSDEN MARLENE — The same family as our champion sale heifer at Denver at \$1,500; also, the \$2,000 Remitall Executive, champion at Edmonton in 1962, and Remitall Revenue, \$1,600 first-prize winner at the 1964 Brandon International. Bred to Remitall Dandy Argosy.

REMITALL RAMSDEN CATHY — Is of the same family as our champion sale heifer at Denver this year that sold to the Haleys of California for \$1,500. Beaufort Fortune sired our 1967 sale champion bull at Denver.

REMITALL MISS CLARA — Dam of Lot 54, Remitall Clara Alice, she raised a very promising roan bull calf by Hercules last year and he has been selected by a Montana rancher who was looking for some extra size. Pittodrie Fortune (imp) was bought by T. G. Hamilton, Innisfail, at a cost of \$13,000, at Hamilton's. He sired many winning cattle at Toronto, western shows and the Calgary Bull Sale. Bred to Remitall Dandy Argosy.

REMITALL CLARA ALICE — Maternal sister to Remitall Duthie, grand champion at the 1962 Lacombe Bull Sale. Her granddam produced Remitall Frosty Consort, used very successfully at Remitall, and Ballechin Rose Clara, who produced two stock bulls for Remitall. Bred to Remitall Dandy Argosy.

CRAIGIEVAR ROSEMARY 32nd — Raised a real big, white bull calf this year by Remitall Hercules that looks like will be a top two-year-old. Will calve again to Remitall Hercules.

GARYKOLNO GOLDEN DROP — Dam of Remitall Tranquil, reserve champion at the Calgary Bull Sale in 1963, and Remitall New Year's Gift, grand champion at Edmonton in 1964. Bred to Remitall Hercules.

KARA NOMA BUTTERCUP 37 U — Her granddam produced Moray Jackaroo, grand champion at the 1956 Toronto Royal. Also Garykolno Lady Buttercup, a cow that we showed for two years and is the mother of Lot 5, Remitall Cumberland, also Remitall Crocus Count that did a real good job for Don Lock, Campo, Colo. Moray Jacobite is full sister to Moray Clipper Kay, first at Calgary, supreme champion at Edmonton summer shows, and first-prize cow at Toronto, all in 1959. We are keeping her 1966 heifer by Remitall Hercules and she is bred to Hercules to calve in the spring.

REMITALL GIPSY LEE — Paternal sister to our 1967 Denver Sale champion bull. Also Remitall Royal Fortune, second-prize winner at Brandon in 1967, selling at \$2,500 to Jim Fogal of Pennsylvania. Will calve to Remitall Super Event.

Remitall Regal Event sold at \$1,500 in the 1968 National Western sale to C. E. Turner, Channing, Tex. He is a maternal half brother to Lot 59.

Remitall Garrison sold at \$975 in the 1965 National Western Sale to Gordon Schuppe, Iliff, Colo. He is out of the same cow as Lot 59.

REMITALL CLIPPER BELLE — Goes back on her dam's side to Remitall Monarch 6th. Snyders paid \$3,500 for Monarch, the highest price Gallinger had reached to that time, a big roomy bull that sired a great group of cows. A twin sister to Remitall Sunflower sold for \$875 in our 1961 sale. Bred to Remitall Dandy Argosy.

## THERE ARE REASONS

There are reasons that Remitall stands at the forefront of the cattle business today. You've seen many of them detailed on the foregoing pages. You'll see others at Remitall on May 20. The stock bulls and foundation females possess the accumulated inherent power to render superior performance, developed through years of practical research and experience with a carefully planned program of matings. The results of these matings have been proved and are firmly established. They are available to you at Remitall.

Remember too that not only does Remitall guarantee every animal selling to be a breeder, but also to meet with your complete satisfaction on your farm or ranch.

Over the years Remitall has met the competition and bested it more often than not, continually keeping in mind their principles of breed promotion, size in Shorthorns, square dealing and sound cattle management.

Where else in North America would you go to purchase Shorthorns with more potential than those at Remitall?

# Remitall Steers: More Proof of Quality

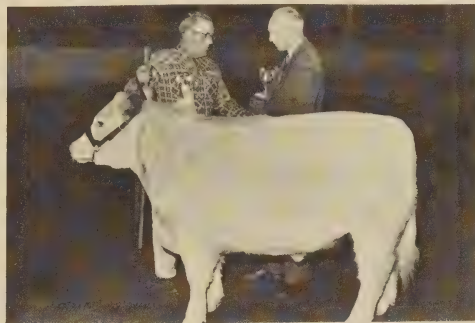

Remitall has long felt the necessity of proving its productions by every possible means including performance testing, steer shows and carcass evaluation. The steers pictured here are but a few of the many champions bred and exhibited by the Latimer families. Notice the extreme length and trimness of all of these winners. They are just one more proof of the modern type of big Shorthorns available to you at Remitall.

Marlene Latimer exhibited the reserve junior champion steer by Remitall Hercules at the 1967 Edmonton show. The calf hung out one of the day's best carcasses.

Gary Latimer exhibited this son of Kelburn Great Event at the 1961 Canadian Western Stock Show in Edmonton, Alta. The calf was junior champion in one of the most important events in western Canada.

This son of Remitall Frosty Consort was grand champion steer at the Royal Winter Fair in 1962. He sold for \$10,000.
